**DEFENDANTS' MOTION TO TRANSFER TO THE
U.S. DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA
PURSUANT TO 28 U.S.C. § 1404(a)**

Defendants ASUS Computer International and ASUSTeK Computer, Inc., and defendant Westinghouse Digital, LLC (collectively, "Defendants"), by and through their undersigned attorneys, hereby move pursuant to 28 U.S.C. § 1404(a) to transfer this patent infringement action to the U.S. District Court for the Northern District of California. As explained in the supporting memorandum, filed herewith, Defendants make this motion because there is no nexus between the Northern District of Illinois and any of the parties to or witnesses connected with this case. In contrast, the Northern District of California is a clearly more convenient forum in which to litigate the case because it the home forum of one of the defendants, it is more conveniently located to the remaining defendants and the Plaintiff, and because many of the potential third party witnesses live or are headquartered within the Northern District of California, thus subjecting them to that forum's subpoena power.

The Court granted leave to file this motion at the March 21, 2012 status hearing, as reflected in the Minute Order of the same day (Doc. 41).

Dated: March 28, 2012

Respectfully submitted,

/s/John R Linzer
